Certificate Programme for Soft Skills and Spoken English – In the process of globalization it has become inevitable for any professional to acquire skills in computer literacy and English language. India being a multi-linguistic country, it becomes more pertinent in the profession of lawyers who are pursuing litigation at Local, District, State and National Levels, to attain proficiency in English language, particularly, English being the medium of argument at High Court and Supreme Court Level. Utility of computer and knowledge in computer skills has become a part of legal profession, by virtue of which an entire office of any leading Lawyer can be carried in his laptop. Computer literacy enables any lawyer to have accessibility to data store base in pursuit of his litigation. This programme helps the students to attain skills which could be useful for them in their career.

Campus Selection Programme – The sincere efforts put forth by the Career Guidance Placement Cell yielded expected results in helping the students in choosing their careers and profession. Though due to remoteness of geographical location, College could not attract multinational companies and law firms from metro cities, of late, the Latur Municipal corporation conducted campus selection and provided employment to a few students.
