

EMPOWERMENT OF GIRLS

1. CONTEXT: The Institutional distinctiveness lies in working towards fulfilling its vision and mission. Being a Women's College we focus on the holistic development of our students. Our College is the only higher educational institution in the Eastern part of Solapur. We have students coming from the economically deprived strata of the society. Majority of our students come from families where the parents earn a livelihood by working as laborers, or in textile mills, while the women are involved in rolling beedis.

2. PRACTICE: A large number of our students are not even in a position to pay their fees, buy books and meet other basic necessities. Keeping in view the financial condition of our students, we decided to empower them by making them financially independent. Keeping in mind the global scenario, cut throat competition, need to be financially secure and the need to lead a comfortable life; we decided to train our students in small scale business and startups

3. PROCEDURE: We made a survey of our student's economic and social background. A number of meetings were organized to which the students were called and asked to interact. We realized the need to empower our girls and make them financially stable. We got in touch with a number of organizations and people who would help in our endeavor. For this purpose we got into a Memorandum of Understanding with - Baheti Medical and Pharma - Udyogvardini Sanstha - GTT Foundation - MITCON - Sneha Beauty Parlour - G. L. Kakade Foundation - Shakuntala Udyog Vyavasay Kendra - Skill India

4. COURSES STARTED: Following courses were started for the benefit of the students.

a) Beauty Parlour Course: The Beauty and Wellness sector is an important industry and is growing at a fast pace. There are a number of career opportunities in this sector. At the end of the course the students can work as Makeup artist, Hair stylist and can also set up their own business.

b) Fashion Designing: The fashion industry reflects a diverse range of social and cultural attitudes. There is a need to combine fashion with creativity, imagination and natural beauty in order to create costumes and other lifestyle items. At the end of the course students can find jobs in fashion industry, manufacturing units, start their own business and sell products in the market.

c) Small Scale Industry Training Programs: During these sessions the students are trained to make a number of products like jam, jelly, sauce, cakes, ice-creams, Pheneols, lotions, detergent soaps and powder, agarbattis, chalk, soft toys, flower vase, curtains, cushions covers, decorative pieces, napkin bouquets, jowar rotis, groundnut chutney etc. This small scale industry training program provides the students with potential for

employment with less capital requirement. There is also an opportunity for entrepreneurship and contribution to exports.

5. OUTCOME: Many of our students have started their own business and thus are financially independent. We have helped our students get placed at various units like

- Nityashree Boutique
- Samruddhi Beauty Parlour
- Ajanta Beauty Parlour
- Yashashree Fashion Institute
- Jain Bakery
- Puff and Pastry (Bakery)
- Bhagwan Caterers
- Annapurna Caterers
- Arya Outfits
- Gharkul Masala

6. PROBLEMS ENCOUNTERED: - Most of the times convincing the parents about the advantages of enrolling in such career oriented courses is a big challenge - As these courses are conducted after college hours it becomes difficult for the students to stay back for more hours

- Although all the courses are free for the students, they need some capital to purchase raw material and begin with initially. Sometimes they are not able to even make arrangements for the same - Transformation in some cases also is a problem

CONCLUSION: However, inspite of all these challenges, we are happy to state that the responses of our students to such courses are encouraging and many of them have been employed after the same. A few have also started their own business.
